This application for variance and the contents required within the application are set forth in accordance with Chapter 6 of the Lower Big Blue Natural Resources District Groundwater Management Plan approved March 27, 2014. The applicant is responsible for the knowledge of such rules and regulations governing variances. Rules and Regulations for variances include:

1. An applicant may submit any other information he/she shall deem relevant.
2. An applicant must also submit any other information deemed necessary by the District.
3. A \$100.00 non refundable application fee payable to the Lower Big Blue Natural Resources District will accompany this form when submitted. This fee does not include the well permit fee.
4. Upon receipt of the application, the District or a committee which has been delegated authority by the Board to approve or deny a variance shall have 60 days to approve or deny the variance.
5. All variance requests must be approved by the Board, unless approval authority has been delegated to a committee by the Board.
6. When issuing a variance, the District or committee which has been delegated authority by the Board to approve or deny a variance, may include specific conditions which will be required as part of the permitting or drilling process.
7. Any variance granted under Rule 6.1(LBBNRDGMWP) will be valid for a period of not more than 180 days from its date of approval. This rule supersedes the one year construction period as set forth in Chapter 5.13 (LBBNRDGMWP).
8. Requests for variances shall be considered by the Board on a case by case basis.
